Re: Randy Pankey v. City of Concord
United States District Court Case No. C06-03737 (JCS)

Dear Judge Magistrate Spero:

I am writing this letter to request an additional 12 days in which to respond to Plaintiff's "Motion for Collateral Estoppel and Demand for Damages," up to and including November 22, 2006.

As Your Honor pointed out at the November 3, 2006 Motion to Dismiss hearing, the pending motion by plaintiff appears to be in the nature of a summary judgment motion. Given the gravity of this motion, not to mention plaintiff's \$45 million damages demand, I want to ensure on my clients' behalf that a comprehensive opposition is filed, including appropriate declarations. I note that the complaint names 8 individual police officers, all of whom work varying shifts, and are frequently difficult to contact. Accordingly, separate and apart from the time needed to prepare an opposition brief, the logistics of contacting, meeting with and preparing declarations for the respective officers also will take a considerable amount of time. Moreover, the officer defendants have not yet appeared in the case, thus separate answers on their behalf will need to be prepared during the intervening period, assuming they agree to accept service of the summons and complaint.

On a personal note, I have an extremely busy litigation schedule over the next to weeks, and since I am the only attorney in the City Attorney's Office who handles litigation matters, there are no other attorneys who can provide assistance.

I thank you for your consideration of the forgoing.

Hon. Joseph C. Spero
